

~~~Miss Tammy's Page~~~

Dear Parents,

Hi! February brought lots of FUN learning to our room. It was great creating Valentines, celebrating our friendships, and learning that Love comes from God. We LOVED Spending time with our Dads! And....Sharing Day was a great beginning to some magical moments... and lots happy smiles!

It's so hard to believe that March is already here...it seems like just yesterday we were starting. Your children have grown so much...We love how they can follow directions, work independently, help one another, and always bring a smile to our day! So many amazing changes taking place!

Here's some of our March Fun:

*Discovering the Color **Green...EVERYWHERE!!!**

* Fun with Shapes

***Teddy Bear DAY (March 6th/7th)**

*Alphabet Letters Z, B, H, E & R 😊

Wishing you a Wonderful March ..filled with the Best Adventures, warmest moments, and lots of laughter!!!

Miss Tammy

P.S. Our preschoolers are really excited to try to write their alphabet Letter! Maybe you could play a find your Name game around the house...and end with them writing their first letter 😊 Or...tracing their letter with stickers, cheerio's whatever you have on hand!!!
