

How We Apply the Common Core Standards At Bethlehem

Literacy & Language

Receptive & Expressive Language
Book Appreciation
Phonological Awareness
Alphabet Knowledge
Print Concepts & Conventions
Early Writing

Physical & Health

Physical Health Activities
Health Knowledge & Practice
Gross Motor Skills (e.g., bikes, balls, climbers, stilts)
Fine Motor Skills (e.g., manipulative toys, painting, writing)

Mathematics

Number Concepts & Quantities
Number Relationships & Operations
Geometry & Spatial Sense
Patterns, Measurement & Comparison

Spiritual Growth

Sharing God's Word with All Generations.

Parents are always welcome in our classroom.
We teach children about God at a level they understand.
They learn that God loves them and gives them their families who love them.
We teach them how God gave us His Son, Jesus, who grew up to die on the cross for all of our sins. He loves us even when we sin (do bad things).
We teach them to talk to Jesus in prayer.
We teach them that God created the world and everything in it.
Jesus is the only way to heaven and He loves everyone so much, that He died for us all.

Science

Scientific Skills and Method
Conceptual Knowledge of the Natural & Physical World

Classroom Discipline

We re-direct children to follow the classroom rules for safety and order. Each child is valuable because God made them and every child is treated as a precious creation of God. We use a Time-Out chair to help redirect children if further redirection is necessary.

Social & Emotional

Self Regulation
Emotional & Behavioral Health
Social Relationships
Self-Concept & Self-Efficacy
Group Experiences
One on one time with staff and children.

Creative Art Expression

Music
Creative Movement & Dance
Art
Drama

Social Studies

Field Trips
Self, Family, & Community
People & Environment
History & Events
